🏆 Top Teams

Liverpool had the most points in the league phase (21/24)

PSG earned the most points in the entire competition

In the league phase, Liverpool led with 21 out of 24 points, followed by Barcelona and Arsenal.

Across the entire competition, PSG finished with the most points (34), followed by Inter Milan, Arsenal, and Barcelona.

It's important to note that PSG played an extra two-legged playoff, which added to their total points.

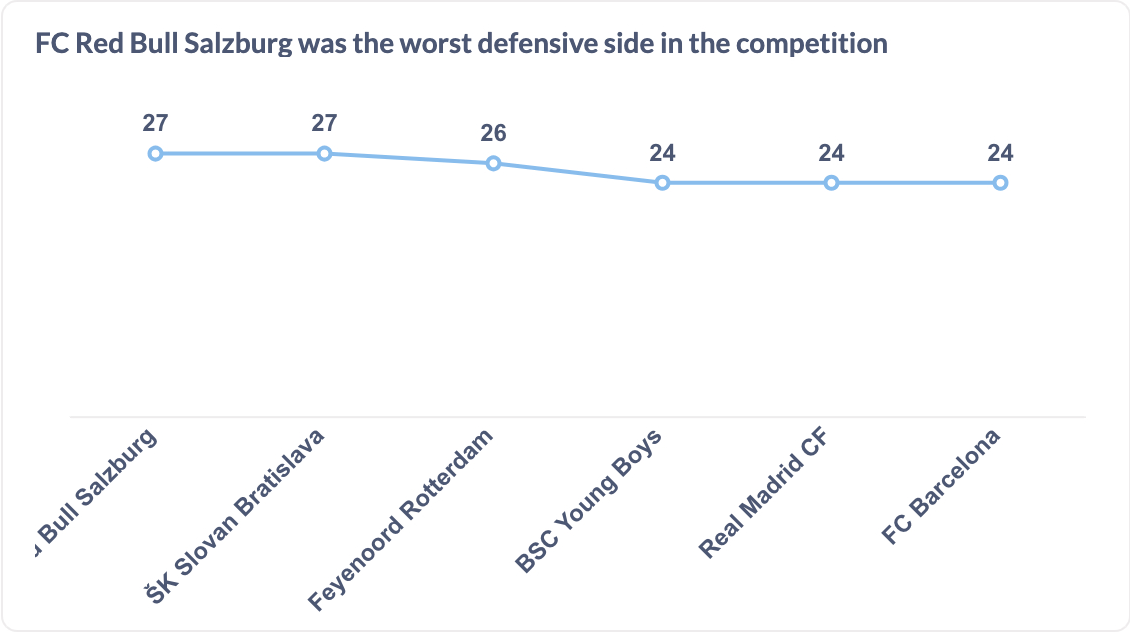

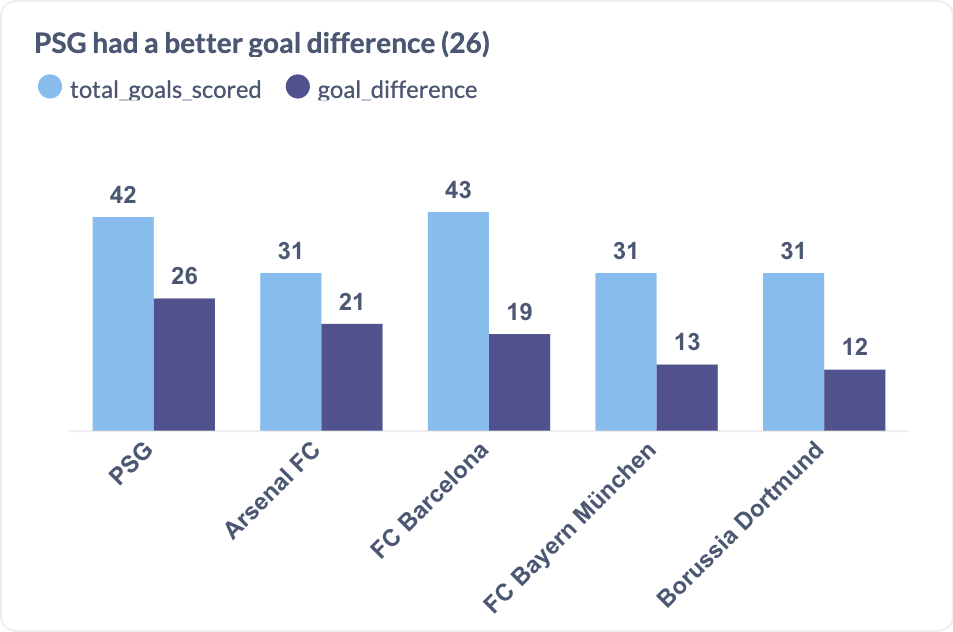

Which team scored the most goals?	
Team	FC Barcelona

Which team had the best defense?	
Team	Bologna FC 1909
Goals_against	9

Barcelona scored the most goals in the competition, making them the best attacking team overall.

On the defensive side, Bologna conceded just 9 goals, the fewest in the competition.

However, it’s worth noting that Bologna didn’t qualify from the league phase, as they managed to win only 1 match.

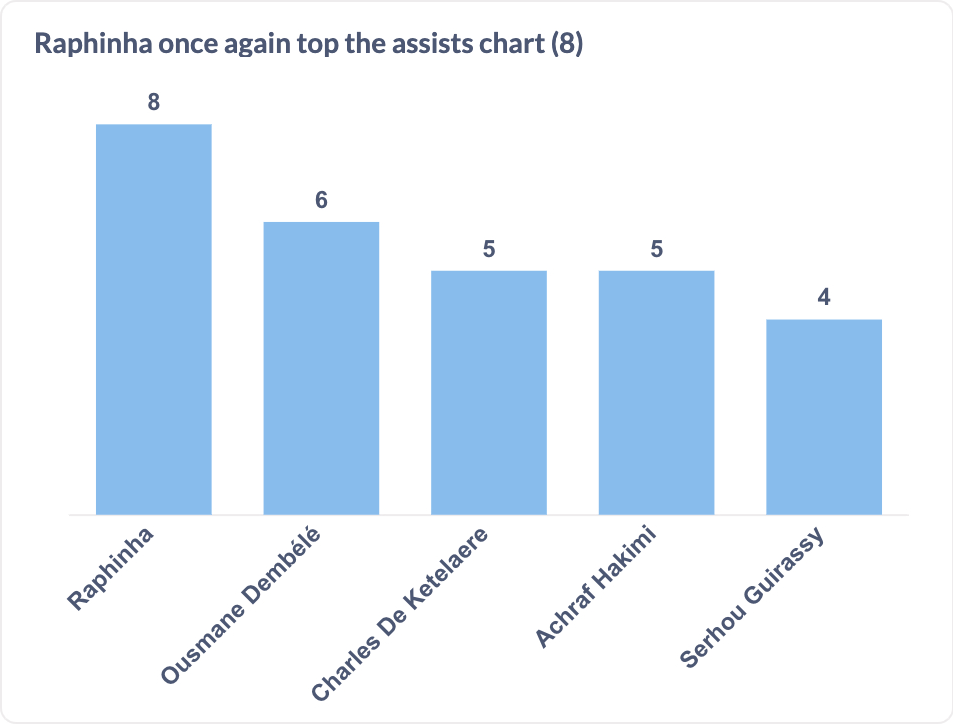

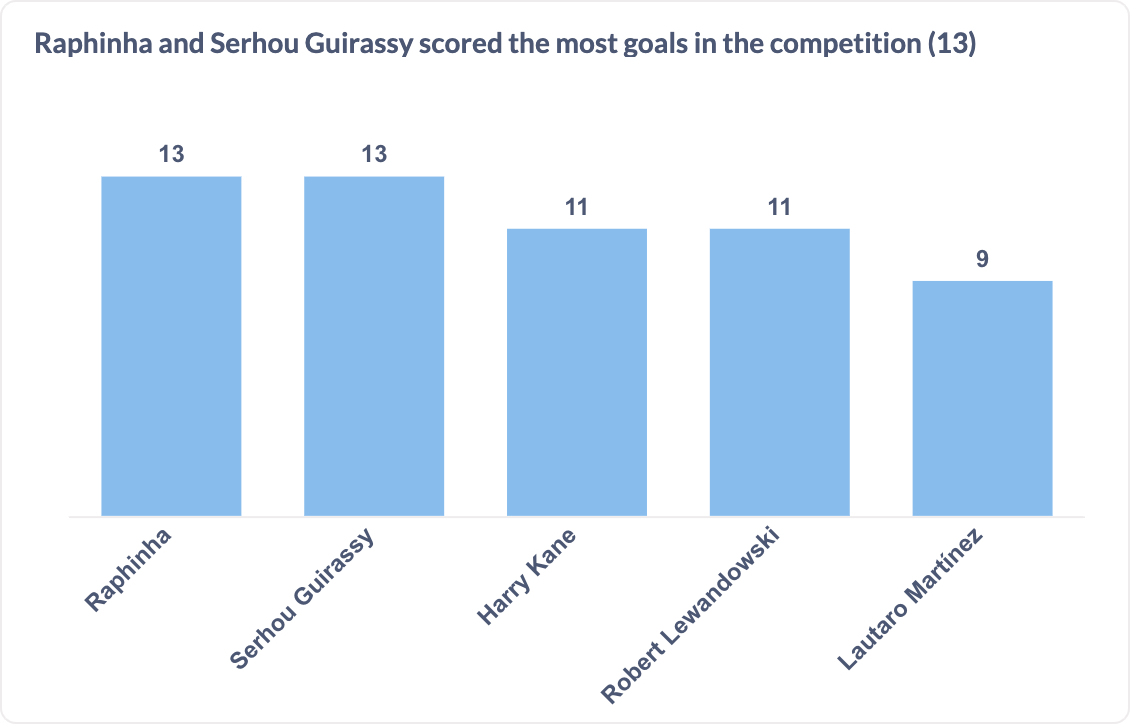

PSG had the best goal difference in the competition with +26, scoring 42 goals and showing balance on both ends of the pitch. Although Barcelona scored the most goals (43), their goal difference was slightly lower at +19, highlighting some defensive weaknesses.

On the defensive side, Red Bull Salzburg and SK Slovan conceded the most goals, with 27 goals each, making them the worst defensive teams in the tournament.

Interestingly, Barcelona, despite being the top attacking team, also conceded 24 goals, placing them among the most exposed defenses. This reflects Hansi Flick's high defensive line, a tactical choice that many pundits discussed throughout the season.
